

CIRCULAR N.º 002/2017

Assunto: **Eventos**

Caros Associados,

- Junto enviamos informação relativa ao próximo **Congresso do BIBM**, que decorrerá nos dias **17 a 19 de Maio de 2017**, em Madrid, Espanha.

"From May 17-19, 2017, the 22nd BIBM Congress will be organized in Madrid, Spain. BIBM, The European Association for Precast Concrete, is inviting the international precast industry to attend this unique event, bringing together industry professionals, politicians, academics and suppliers from all over the world.

I would kindly ask you to publish in your print- and online media channels an announcement and invitation for this event. The conference program with more than 30 presentations presented by speakers from 15 different countries around the world will include technical, environmental, strategical and political topics. Besides the congress, the trade exhibition with expected 80+ exhibitors will provide the possibility to inform about the latest state-of-the-art of precast design and manufacture.

In the attachment, you will find a preview article about the congress as well as the congress flyer. Pictures and the Congress logo can be downloaded in high resolution here: <https://bibm.cpi-worldwide.com/downloads>

Feel free to use this material for your BIBM Congress announcements in print- and online media. The complete conference program as well as information about the exhibition, travel and accomodation etc can be found online at www.bibmcongress.eu. "

Anexamos mais informação.

- No dia **31 de janeiro próximo, pelas 14h**, decorrerá no Edifício de Serviços da AEP o **Seminário "Orçamento de Estado 2017 e Análise das mais recentes alterações legislativas"** Juntamos o Programa.
